

In case of emergency

Here you can find the procedures and information about the dental help in the evenings and in the weekends.

If there's a serious dental problem?

Your dentist has organised a dental help program in case of serious dental problems beside the regular office time of your own dentist.

This service is available in the evening, at night, in the weekends and on holiday days.

The consulting hours are:

Friday: 18:00 h – 18:30 h

Saturday: 12:00 h – 12:30 h
18:00 h – 18:30 h

Sunday: 12:00 h – 12:30 h
18:00 h – 18:30 h

The treatment will take place in the office of the dentist of duty. Look for the address in the list below or call your own dentist and listen to the answering machine for the right information.

In case of dental emergency.

In case of a serious dental problem you can call the dentist at duty and he or she will listen to your problem and will tell what to do.

Remember this service is only for SERIOUS dental problems, like an accident with dental trauma, a wound kept on bleeding and a acute, severe tooth-ache. All other problems must wait till your own dentist is back.

How to reach the dental service?

You can see for further information the list below or you can call your own dentist. The answering machine will give you the right information. You can also check the local newspaper.

Please take notice of the next items:

You must pay cash afterwards the dental treatment. It's recommended that you take enough money with you. It's not always possible to pay with a card or Pin.

You'll get an invoice, which you can send to your insurance company and you'll will get paid back in confirmity with your insurance policy.

You must take your ID and your insurance card with you with the current personal notes. Otherwise the dentist can refuse to help you.

The dentist will ask you to fill in a form with your state of health. To see clearly if there are possibly any interferences with your state of health an the dental treatment.
